ASSESSMENTS

Essay: Students are also required to submit a 2000 - 2500 word (8 - 10 pages typed) essay worth 25%. Based on the lectures, readings, and research from at least five journal articles, draft a written essay that addresses one of the topics provided in class. Oral Presentation: Each student is required to prepare an oral assignment which will be worth 15% of your final grade. Each student must prepare a 15-20 minute presentation to the class. Students will be graded on their presentation style and substance. In the alternative to doing an oral presentation, students may choose to do a second written essay. Available topics and more details will be provided in class.

Students are expected to participate fully in any group exercises that may be assigned during class time. Class attendance and participation will be worth 10% of your final grade.

Mere presence in the classroom is not sufficient. Students will be assessed for active listening skills, demonstrated knowledge of the required readings, and proven

understanding of the issues. Students are encouraged to express their own views, to criticize the instructors' analysis, and to raise questions from current events that relate to course content. The Instructor will call upon individual students to answer questions about the materials each week. ACADEMIC AND STUDENT CONDUCT

Information on academic standing and student rights and responsibilities can be found in the current Academic Regulations that are posted on the Student Services/ Admissions & Registration web page.

PLAGIARISM

Plagiarism is a serious academic offence. Plagiarism occurs when students present the words of someone else as their own. Plagiarism can be the deliberate use of a whole piece of another person's writing, but more frequently it occurs when students fail to acknowledge and document sources from which they have taken material. Whenever the words, research or ideas of others are directly quoted or paraphrased, they must be documented according to an accepted manuscript style (e.g., APA, CSE, MLA, etc.). Resubmitting a paper which has previously received credit is also considered plagiarism. Students who plagiarize material for assignments will receive a mark of zero (F) on the assignment and may fail the course. Plagiarism may also result in dismissal from a program of study or the College.

Do not jeopardize your academic future with plagiarism. It is dishonest and can have serious consequences.
